

Aura AI HR Workspace Diagnostic Guide v2

This document tests multimodal chart understanding.

Page 2 contains an HR Employee Benefits Utilization Bar Chart.

The chart shows utilization rates for Health (65%), Pension (85%), and Education (40%) benefits.

Figure 1: Employee Benefits Utilization - Annual Report 2026

Summary of Benefits:

- Health Insurance: 65% of employees enrolled
- Pension Plan: 85% of employees enrolled
- Education Assistance: 40% of employees enrolled

Note: Pension plan has the highest enrollment at 85%.
